## Family Faith Formation Events 2011-2012

### Mission Statement

**St. Patrick SUCCEED Academy, a culturally diverse diocesan regional school, serves students in the South Sacramento area and the surrounding communities. The ministry of the Academy is threefold: to provide a positive Christ-centered 21st century learning experience through excellence in academics; to be attentive to all aspects of the individual child's development; and to provide students with the tools to be self-motivated critical thinkers. The modeling and practice of moral and ethical values, coupled with the teachings of our Catholic faith, further empower our students to meet all future challenges. Aiding parents in their responsibility as the primary educators of their children, the Academy strives to honor and celebrate our ethnic and spiritual diversity while preparing our students to be bearers of compassion, respect**
